- i. OARPL will declare its Opening Price (OP), which shall be visible to all the Bidders during the start of the e-Auction. Please note that the start price of an item in online e-Auction is open to all the participating bidders. Any bidder can start bidding, in the online e-Auction, from the start price itself. Hence, the first online bid that comes in the system during the online e-Auction can be equal to the auction's start price, or higher than the auction's start price by one increment, or higher than the auction's start price by multiples of increment. The second online bid and onwards will have to be higher than the H1 rate by one increment value, or higher than the H1 rate by multiples of the increment value.
 - ii. The “Bid Increase Amount” has been fixed in respect of each property which the bidders can view on their bidding screen and the bidders will have to increase the bid amount in the multiple of “Bid Increase Amount”.
 - iii. If a bidder places a bid in the last 5 minutes of closing of the e-Auction and if that bid gets accepted, then the auction’s duration shall automatically get extended for some minutes (refer sale notice for details), from the time that bid comes in. Please note that the auto-extension shall be for limited / unlimited times (as given under the sale notice) and will take place only if a valid bid comes in last 5 minutes of closing. If valid bid is not received, the auto-extension will not take place even if that bid might have come in the last 5 minutes. In case, there is no bid in the last 5 minutes of closing of e-Auction, the auction shall get closed automatically without any extension. However, bidders are advised not to wait till the last minute or last few seconds to enter their bid during the auto-extension period to avoid complications related with internet connectivity, network problems, system crash down, power failure, etc.
