 2. Pursuant to the notification of the four Labour Codes by the Government of India on November 21, 2025, the Government has consolidated multiple existing labour legislations into a unified framework, collectively referred to as the "New Labour Codes". The Company has recognised an incremental financial impact of ₹95.51 lakhs towards past service cost in respect of gratuity and compensated absences for the period ended December 31, 2025. The increase in liability arises primarily due to the change in the definition of "wages" under the New Labour Codes. Considering that this impact is material, regulatory-driven and non-recurring in nature, it is classified under exceptional items in the financial results. The Company continues to monitor the finalisation of the Central and State Rules and any further clarifications issued by the Government in relation to the New Labour Codes. Appropriate accounting impact, if any, will be recognised based on such developments as and when they become effective.  
 3. The company filed a merger application with Hon'ble NCLT on 24th March 2025 after obtaining an in-principle NOC from BSE and the matter is pending before the Hon'ble NCLT. The matter has been posted for next hearing on 25th February 2026.

The associate company namely Secureinteli Technologies Private Limited has made buy back of share as approved by Board of Director on 31st May 2025 and the transaction was completed on 2nd June 2025. Consequent to the buy back the shareholding of the company in the associate has increased from 26% to 30.97 % effective 2nd June 2025.  
 5. The figures for the corresponding previous periods have been regrouped/ reclassified wherever necessary to confirm the figures presented in the current period.
